## OUR GOAL

We strive to supply glass containers reliably, with competitive pricing and dependable quality. We anticipate more and better options becoming available throughout 2025. Have a need or a vision for something you don't see? We'd love to discuss it and explore the opportunity!

## NEW FOR 2025!

Pint and quart jars with a wide-mouth finish—Made in the USA. Contact us for more details.

## 70G Lid

70G is a special size Continuous Thread closure. It is very popular for food as well as for candles and personal care products. The 70G provides extended shelf life due to its excellent sealing properties. As with any other Continuous Thread closure, the 70G is easy to open and reclose, and is compatible with a range of vacuum and non-vacuum packed applications.

All lids available with or without button.

70G (CT) Lids	Carton Count	Cartons Per Skid	Caps Per Skid
Gold	1000	30	30,000
Black	1000	30	30,000
White	1000	30	30,000

# About Us

At Pack Star, our vision is captured in our slogan:  
Packaging – Excellence – Simplified.

We believe in delivering top-quality glass jars and lids with a seamless, hassle-free process. No clutter, no confusion—just clear, reliable solutions for commercial canners and resellers.

We source directly from manufacturing plants, ensuring a steady, high-volume supply of premium packaging. Our expertise in the supply chain allows us to provide truck-load quantities efficiently, delivering unmatched quality and value. Whether you need several truckloads a year or multiple loads each week, we have you covered.

Founded by industry experts with decades of canning experience, Pack Star understands your unique needs. Rather than offering everything, we focus on doing a few things exceptionally well. Our carefully developed glass jar selection reflects our commitment to quality, reliability, and efficiency.

With integrity, dedication, and a smile, we bring packaging excellence to your business.
